HAVE AN EQUAL
HUMAN RIGHT TO PEACE !**

EVERYONE HAS A RIGHT TO PEACE !

The Universal Declaration of Human Rights states:
*“Everyone is entitled to a social and international order in which
the rights and freedoms set forth in this Declaration can be fully realized”*

Article 28

The rights to life and dignity,
the freedoms of religion and of expression
are all equally part of such an order,
a peaceful order where all human rights
are enjoyed and fulfilled,
together.

The human right to peace reaffirms
the equality of all human rights,
and the need for these rights
to be expressed and coordinated
through peace.
No violence is admissible in the expression
of human rights.

We call upon all persons,
upon all public and private institutions
to recognize and respect the right to peace;
as demonstrated here,
a right to peace needed for
the coexistence of all human rights.
